

# Buser Memorial Scholarship Application

Scholarship Year: 2018-2019

---

## **APPLICATION DEADLINE**

*Postmarked by December 15th, 2018*

### **Mail to:**

Buser Memorial Scholarship  
Caltrans Office of Land Surveys  
1727 30th St., MS#35  
Sacramento, CA 95816

---

### **Eligibility Requirements:**

Applicant must;

1. Be currently enrolled as an undergraduate in a Land Surveying/Geomatics Engineering or closely related degree or certificate program at a California based College or University.
  2. Have a minimum cumulative college Grade Point Average (GPA) of 2.5 at the end of the spring semester/quarter of the year previous to the scholarship year. Freshman students should use their high school GPA.
  3. Intend to pursue a transportation related career in Land Surveying.
  4. Be a U.S. citizen, permanent resident or documented international student.
- 

### **All applications must include:**

1. A **complete** application form.
2. **Official, sealed, transcript** from educational institution attended during the Spring of the year prior to year of scholarship, showing cumulative Grade Point Average through Spring semester/quarter. Freshman applicants should provide an official High School transcript.
3. **Proof of enrollment** in Land Surveying or closely related degree/program for the current semester/quarter.
4. **Letter of recommendation** from current faculty member of enrolled Land Surveying or closely related program.
5. **Essay.**

*Note: Handwritten applications and essays will not be accepted.*

# Buser Memorial Scholarship Application

Scholarship Year: 2018-2019

---

## General Information:

It is the intent of the Buser Memorial Scholarship to award four \$1000 scholarships each year; one scholarship each to a freshman, sophomore, junior, and senior class (collegiate year) applicant. If a suitable candidate for a specific class is not identified the scholarship selection committee may award the scholarship to a candidate in another class.

The yearly scholarship schedule is as follows:

Application Material Posted: October

Applications Accepted: Postmarked October 24<sup>th</sup>, 2018 - December 15<sup>th</sup>, 2018

Selections Made: December - January

Scholarships Awarded: January - February, 2019

Awards will be presented at the annual California State University, Fresno (CSUF) Geomatics Engineering Conference <http://www.fresnostategeomatics.com/>. Arrangements can also be made to present awards to students from other schools at planned meetings, events, etc. Otherwise, awards will be mailed directly to the student at the address provided on the application submittal.

## Grading Criteria:

Cumulative GPA	15%
Scholarships, Awards, Scholastic Honors	5%
Professional Organization Membership	15%
Professional Activities	20%
Extra Curriculum (Community) Activities	10%
Essay	25%
Overall Application Presentation	10%
