CTF Supports Fallen and Injured Trans Workers

CTF supports California’s transportation workers when the worst happens by establishing Workers Memorial and Assistance accounts. CTF matches contributions to those accounts dollar for dollar. In 2013 CTF and other donors provided more than $15,000 to the families of Shawn Baker and Robert Jones (District 2) and Jose Jimenez (Teichert) all of whom fell in the line of duty. Additionally, CTF is assisting Edward Holgersen (District 1), who was gravely injured on the job, including paying for his family to stay in a motel near the trauma center caring for him. CTF has also established a Workers Assistance account in his name.

Shawn Baker, District 2
Jose Jimenez, Teichert
Edward Holgersen, District 1

To donate to these and other Workers Assistance and Memorial Accounts send a check to CTF with the name of the fallen or injured worker in the memo line.

CTF Hosts Two 2014 Charity Golf Tournaments
Have a great time while supporting your favorite charity!

April 14 at the Strawberry Farms Golf Club in Irvine
July 28 at the Yocha Dehe Golf Club at the Cache Creek Casino in Nor Cal

This year one Diamond or Platinum Sponsorship earns recognition and players at both CTF Tournaments! Whether you choose to sponsor both or one, CTF has an option for you. Register to sponsor or play at either or both tournaments on our website transportationfoundation.org.

The Charity Golf Tournaments offer a great opportunity to have fun with colleagues and friends while supporting CTF and its mission. Now that we offer tournaments in the North and the South you have no excuse to put off participating.

This is also a great opportunity to meet transportation policy makers. Last year District Directors, Sales Tax Agency Executives, public works, port officials and Caltrans executives played.

We also need volunteers to help with registration and more. Send us an email if you can help out with your time.

... and says “thank you” to departing Board Members

In December CTF said goodbye to two board members who were termed out. Each made a major impact during their time on the board.

Matt Henry, Fehr & Peers, served for many years as Chairman of the Workers Assistance and Memorial Committee. During his tenure CTF increased the rate at which we match donations to those injured or killed on the job to 100% - a dollar for dollar match.

Agnes Weber, Vali Cooper & Associates, served as Chair of the CTF Scholarship Committee for many years. During her tenure CTF endowed several important scholarships such as the Rhinehart and Tim Fleming Memorial Scholarships. She also led the Committee as it approved several new partnered scholarships.

We wish them well in their new endeavors and look forward to seeing them at CTF events soon.
