

28th Annual CTF Transportation Awards Winners and Finalists Announced

The California Transportation Foundation is proud to announce the 28th Annual CTF Transportation Award winners in several categories, as well as the top three finalists in most categories. The winners of those categories will be announced and all trophies presented at the May 24, 2017 Transportation Awards Luncheon. The CTF Transportation Awards recognize excellence in California transportation in 2016, all modes, public and private sector and from all regions of the state. CTF recognizes project teams including all major partners and contractors. If you see that we have left off a major team member please let us know. The Transportation Awards Program is made possible by our generous sponsors!

“The Transportation Awards jury, made up of public and private sector transportation professionals from around the state, enjoyed reviewing the 90 outstanding nominations this year,” said Sasha Dansky, Principal at Mark Thomas, and Chair of the California Transportation Foundation. “Our selections represent 2016’s best projects, programs and people - their contributions improved California transportation.” Register for the Transportation Awards Luncheon and cheer on your favorite finalist or winner at www.transportationfoundation.org/transportation-awards/
