

2019 JAMES E. ROBERTS ENGINEERING SCHOLARSHIP

The California Transportation Foundation (CTF), a nonprofit organization, announces **two \$1,500 scholarships**: the **James E. Roberts Engineering Scholarship** for the 2018/2019 academic year.

Applicants must be in their senior year of a California high school and interested in pursuing a college degree in civil engineering. The award of the scholarship is based on the applicant's commitment to a career in transportation, current job skills, academic record, and specific goals and experience. Financial need may be considered, but it is not a primary factor.

Applicants must meet the following general criteria:

- Must be a United States citizen, permanent resident, or documented international student.
- Must be in his/her senior year of a California high school.
- Must intend to enroll in civil engineering curriculum at a California college or university.
- Must plan to pursue a career in transportation after graduation.
- Must exhibit community and school involvement.
- Must provide an official transcript.
- Must provide a sealed letter of recommendation.
- Work experience and/or volunteer experience may be considered.

Information about the award including the scholarship recipient's photograph will be posted at <https://transportationfoundation.org/scholarships/>.

*The **James E. Roberts Engineering Scholarship** is supported by a gift to the CTF. The scholarship is endowed, and scholarship funds are administered by CTF, a nonprofit organization established in 1988 to "Promote and Recognize Excellence in California Transportation." It is a 501(c)(3) charitable organization with tax exempt status. The Federal EIN # is 68-0165257.*
