Jeff Watson
HNTB

Executive Director
Sarah West

Emeritus Director
Heinz Heckerth

The California Transportation Foundation is proud to announce the 30th Annual CTF Transportation Award winners in several categories, as well as the top three finalists in most categories. The winners of those categories will be announced, and all trophies presented at the May 28, 2019 Transportation Awards happening at the Sheraton Hotel in Sacramento. The CTF Transportation Awards recognize excellence in California transportation in 2018, all modes, public and private sector and from all regions of the state. CTF recognizes project teams including all major partners and contractors. If you see that we have left off a major team member, please let us know. The Transportation Awards Program is made possible by our generous sponsors!

“Furthering CTF’s mission to recognize the best in the California Transportation Industry, the CTF Transportation Awards Jury has selected the top projects, people, and organizations of 2018 from among more than 60 outstanding nominations,” said Sunnie House, Chair of CTF, “I am looking forward to celebrating the success of these top candidates at our upcoming Transportation Awards Program.”
